

AMEER BORKAAI

UI/UX DESIGNER & FRONT-END DEVELOPER

PROFILE

Dynamic React Native and JavaScript Developer with a robust background in mobile and web application development for Remote Job. Excelled in interface design, leveraging skills in JavaScript and full-stack development. Proven track record in enhancing user experience and application performance. A self-starter adept in version control and continuous integration tools. Detail-oriented, organized, and meticulous employee. Works at fast pace to meet tight deadlines. Enthusiastic team player ready to contribute to company success.

WORK EXPERIENCE

Frontend Developer & UI Designer

Scotiabank | 2023 - 2024

- Developed and maintained responsive user interfaces for customer-facing web applications using React and TypeScript.
- Collaborated with product managers and backend developers to translate wireframes and mockups into high-quality code.
- Proactively identified and fixed UI inconsistencies and bugs, improving the overall user experience.
- Contributed to the component library, ensuring reusable and well-documented code.

Senior UI/UX Designer

BMO | 2022 - 2023

- Led design processes for primary websites and mobile applications.
- Collaborated with cross-functional teams to deliver end-to-end design solutions.
- Developed responsive designs, improving user engagement by 42%.
- Spearheaded the implementation of a new design system, enhancing consistency across products.
